

LYMPHEDEMA AWARENESS DAY 2019

On this date, Lymphedema Awareness Day, the Lymphedema Association of Manitoba was pleased to be asked to share information about lymphedema to the provincial Conservative caucus. In representing the Board of Directors, and on behalf of all Manitobans living with lymphedema, Susan Stratford and Linda Menzies provided information about the condition, its causes, its treatment and also about what needs exist in Manitoba to support those with lymphedema.

Thanks to MLA Wayne Ewasko for arranging for this important opportunity.

Later in the day, MLA Wayne Ewasko read the official announcement in the House of the Manitoba Legislature proclaiming March 6th as **Lymphedema Awareness Day**. Several board members and supporters were able to attend.

From L to R, MLA Wayne Ewasko, LAM Co-founder Edith Mulhall, Jenny Wishart, LAM Co-founder Susan Zwarich, LAM President Susan Stratford (missing from the photo but present: LAM Vice-President Linda Menzies and Board member David Van Hellemond)
